“ *Kathy, Kent, Kenny and family, My mother was heartbroken when I got home from work last night after reading about Dot. What a precious legacy you have and what great memories my entire family has of "The Brechin Family" It was one of the most precious moments after my dad died that Kathy and David came to see Mother and our family. I am so sorry for your loss and that we were so late in knowing. Our prayers are with you and know that Christ is the lifter of our heads in every situation. I know that our prayers are answered as God goes with you. Robin Self, Tommie Lanier and family*

“ Kathy, Kent, Kenny and Family, When I got home from work last night my mother was broken hearted after reading about Dot. I am so sorry we heard about this so late. I remember her with a joyfulness that made you happy to be around her. We have such precious memories of the "Brechin Family". The most recent being when your dad and Kathy came to see Mother and the family after my dad passed away. We feel blessed to have been a small part of growing up and doing life together. Funny how we don't realize that when it's happening. I know Christ is the lifter of our heads and that our prayers will be answered as He goes with you through the coming days, weeks and months. Love Robin, Tommie Lanier and Family
