“ *I remember the first time I ever heard Doug sing, it was when we were in Summer Stock at First Baptist Church Columbiana back in the 80's. We had a great time traveling around to different churches singing and praising God. Doug loved to sing and he was good at it. I will always remember him for the love he had for Ollie and Daniel and Stephen. He loved to watch the boys play ball. I can hear him now calling out the boys names at the CCS gym. He had a special way and special names for the guys. They will always treasure Mr. Doug's way of calling out their name. Doug never met a stranger and he could carry on a conversation with anyone. I loved singing in the praise band with he and Ollie and the two of them loved to sing together and they had a special love for each other. This love is a rare kind of love that not many couples have anymore. Daniel and Stephen I want you to know that I think of you as my boys and if you ever need anything or if you just want to come by and see me or you want me to cook you a meal just call me and let me know and I will be here for you. I love you boys and I will miss your dad just as I have your mom. God bless you and comfort you in the next weeks.*
