“ I am so sorry for your loss. What time I knew Elene, she was a very sweet lady. I know that you are grieving but also feel a sense of relief for her that she isn't suffering anymore. Everyone that knew her knew that she loved the Lord and is basking in the sun on the beaches of Heaven now and her tears have been dried and her pain removed. She is able once again to walk hand in hand with Tommy, the love of her life. She was the kind of person that once you met her and spent some time with her, you would never forget her. My love and prayers are with you during this time and always. Sincerely.

“ I was very sad to hear of Elene's passing. My family and I have such fond memories of years ago going over to their house and playing Yahtzee most Saturday nights. Also traveling with them to several Shriner's Conventions. Elene was always laughing and smiling, I loved being around her always. My prayers are with her family.
