“ Chris and Darcy - so sad to hear of your Mom's passing. I know it's been a tough year. Praying you may feel God's love with you as you grieve. I used to love your summer visits to MI and listening to Aunt Bette's stories. Hope we get to reconnect sometime. Your cousin -

“ Chris and Darcy, So sorry to hear of Aunt Bette's passing. I wanted you to know our thoughts are with you. It has been so long, but I still remember Aunt Bette and you both when you came to visit us in Michigan. I loved to listen to your beautiful southern drawl (specifically when ya'll played Twister and would say 'right hand green'). Aunt Bette was always so kind to be around. May God bless you both with His peace and draw you close. Much love and prayers, Uncle Rus's daughter
