“ Dear Shirley and Family, My deepest sympathy is with you on the loss of your mother. I thought of your mother just this week and of the many precious memories I have of her, your father and you. I feel as though I have also lost a family member since our families have been close for so long. My mother Marie, sister Donna, and brothers David and Paul are thinking of all of you at this time. May God be with you. Sincerely, Steve

“ I saw Sis's obit this morning. I was sorry to learn of her death, but just seeing her name brought back a flood of memories. My father, Billy Riddle, was Wales best friend when they were growing up in Columbiana. I listened to stories of them all of my life, and only last week, I thought about Sis. Sis and Wales were such a huge part of our lives, albeit indirectly, because of their impact on my father and mother. I lost my parents last fall, and share your sorrow in this temporary time of separation. With sincere condolences , Billy Riddle , Jr.
