“ My husband and I would like to convey our sincere condolences to the family and friends of your beloved Elva. May you find much comfort from Gods word and in the knowledge that others sympathize with you in your loss. This may be one of the hardest things we will ever have to cope with, the bible offers hope. Pointing to a glorious time, Isiah 25:8 says, "God will actually swallow up death forever and Jehovah will certainly wipe the tears from all faces..." John 5:28 also brings much comfort" All those in the memorial tombs will hear his voice and come forth. What a wonderful hope for all of us to look forward to. Remember the experiences you shared together and learn from them hold them close to your hearts and cherish them. Our sincere sympathy to all of you
