“ I worked with Ethel at Southwest Regional School for the Deaf and Blind, Mobile, AL. She was very talented. So very sorry to hear of her passing.

“ What a shock for me to hear! Ethel was my supervising teacher at the Regional School in the spring of 1984 when I was a student teacher from USM. And then my fellow co-worker there until she moved years later. My fondest memories are of her professionalism and dedication to teaching her deaf students. She always seemed to everything lined up so perfectly and was compassionate yet demanding of excellence. And she LOVED her family and her Lord. I even remember her telling me that she would help the kids put on little "plays" in her home, even involving Tom a time or too and that everyone had such a good time "learning". She came by the school to see me before I retired and I am so glad that she did....just wish we would have had more time to visit. My love and lots of hugs and prayers go out to you, the family. Ethel was very loved and missed when she moved on to Birmingham!
