“ This was a very special lady. To me she was the definition of a southern lady. She was always there when someone needed her. She loved her family. We would sit on the benches outside the church when she had been there during the week and talk about flowers, food and family. She had a true love for Jesus Christ and shared with everyone. I loved the broaches and pins that she wore , it brightened up everything. My prayers are with Mr. Bobby, Maria and Chuck. Mary Ann Moore

“ What a fine lady. I had just met Eva and her husband about a year and a half ago. But I knew her Mother well, so through Mrs. Thelma, I came to know Eva. My husband was born and raised in Wilsonville, so he knew both Eva and her husband and has always spoken very highly of them both. I was so blessed to be able to meet her. I know what it is to lose a loved one, and know that I am praying for this family. With love, John and Motty

“ I met Mrs. Eva when I was a little girl. She is the reason that my family started attending WUMC and she is the reason I can back to the church all these years later. I loved to see her smiling face every Sunday. I will never enter WUMC and not think of her. My entire family loves Mrs. Eva and she will be missed.

“ Eva and I grew up together and would play like we were sisters in elementary school. We also had some fun times in high school. Eva was and is an angel who took care of my mom, Sibyl Stephenson, who lived next door after Daddy died. Wilsonville has lost a special person, She is going to be greatly missed. Much love to Bob and Eva's family.

We had so much fun when she lived next door to us in Fourmile. We romped at the little creek amongst the snakes. We took apples from a tree in a neighbor's field of corn.

The tree was right in the middle of the corn patch. I played the piano. She sang. For 47 years we were away from here in the Ministry. I never forgot Eva. She was an hour influence in her community and will be missed. Terry Stone
