“ Mom and I met in Colorado Springs for a vacation together. I was coming from working in Longbeach California and she from Wilsonville. We spent a wonderful long weekend with Aunt Carol and Uncle Tom and later with Christa at the cottages at the Broadmoor. Such a beautiful wintery time!!!! She and I also visited them in California for a week. I will remember these joyful moments.

“ Evelyn was a former roommate of mine at Alabama. She was a talented artist and a spiritual servant of God. We use to sit in our dorm room and discuss the Primitive Baptist doctrine. Norman was a Primitive Baptist and she was of another domination. However the Holy Spirit showed her the way and she was a devoted member of Vestavia Primitive Baptist Church. I have reason to believe she is in a better place now. I loved you my dear friend.
