“ I so enjoyed talking with Mr. Floyd he loved to pick on Lane and I. He always had something funny to say. He always gave me a big hug. I loved going up Payne Mountain and seeing him sitting on the front porch and at Christmas seeing his decorations that he had made. He will truly be missed by those of us that knew what a kind sweet man he was. Our hearts are sadden with the family but yet are rejoicing that he is with his true love and his son in heaven.
