“ I knew Frankie during her years with Bud(Will) and Winnie Lou Reed. My mother-in-law, Jennie Reed Crawford was Bud's sister. Frankie was a lovely person; I enjoyed her in those days so much. I know that you all will miss her. She was special.

“ I loved this lady more than life itself.as her caregiver and was love by and treated as her daughter. I never wanted to lose her (my sweet mom)but when she lost her sweet sister 3 months ago I said it was like I was taken care of a lonesome dove that was grieving over missing her family that was in heaven awaiting for my sweet beautiful lady.when I watched her very sick for 3 long days and nights it was the most hurtful thing I will ever in my life. . But I prayed for those three days for our . Lord to take my Lil sweet angel. I prayed please don't let her suffer anymore. And when I left the room for about 10 minutes after holding my sweet angel s hand for 3 days I walked in her room to return and I couldn't cry but our . Lord had taken my angel in that 10 minutes. And I smiled and thank you . Lord my sweet angel had gone home to work for him and be with her family. I miss her terrably but I know she's happy and smiling down on me.and I will get hugs and kisses when I see her again someday.

“ So sorry to hear of our dear friend Frankie's passing. Heaven has gained a precious soul, there was never a person better than Frankie who loved with all of her heart. Frankie loved everyone and was most happy digging in the dirt and growing any and everything, she had a true "green" thumb! We were the recipients of many of her wonderful meals and delicious desserts! She and the Reeds could really entertain during the holidays! We have so many wonderful memories of Frankie! God bless you sweet lady! So sorry we cannot be there for your service. Sam and Iris Fitts - Gulf Shores, AL
