“ I will miss our daily talks while I was working and her 'joke of the day'. She was doing so much better and had finally found the love and companionship she needed and deserved. She spoke of how much she loved both her children and how 'in-love' she was with Gabby. -- One day...I will see her again.

“ For 10 years we were blessed to have Frankie as a part of our "courthouse family." Her kind heart, bright smile & willingness to help gained her many friends. Chase & Chasity, you can take great comfort in knowing there were many people who cared deeply for your mom. She loved the both of you & Gabby with all of her heart. She talked of you often & with much pride. Your loss is also our loss - keep the good memories close, they will give you comfort in the days ahead. May she rest in peace. God Bless, Love, Mary
