“ *Gale was a beautiful person. Quite, gentle and loving. It is difficult to believe her time on this earth is over. I wish we had spent more time together...we always think we will have tomorrow. Gale will hold a special place in my heart until my earthly days are over.*

“ I am saddened by the loss of Gale and send my deepest condolences to Johnny and Bentley. Since learning of Gale's death earlier today, I have spent much of the day remembering the many good times and laughs my Mother and I had visiting with Gale and playing with Bentley when I was young.

*Nothing can replace spending time with your wife and your Mother; however, I trust the many memories made over the years will help both Johnny and Bentley push through and adjust to a new normal.*
