“ *She had the biggest heart and seemed to know when I needed her the most...when Steve passed away she was one of the first people to reach out to Jolena and me ...she'd call me and tell me she had cooked something and come get some of it because she knew I wasn't taking good care of myself. She loved and took care of so many people. She is going to be missed by so many I'm sending my Prayers and Love to all she's watching over from Heaven RIP GALE Heaven truly gained an Angel when God called you home*
