“ Gary and I worked in the lab together at Southern Co. Services, in Birmingham, in the early to middle 80's. He and I became friends and even though my family and I ,moved away from Birmingham in 1986, Gary and I kept up with each other by phone and on line. Gary was funny, he always kept me smiling, pulling pranks on me to raise my spirits when I was down. He was a sweet and gentle man that I am proud to have called my friend.  
I will miss you GRP!
