“ George was one of a kind, he was always kind to everyone. He was always joking and could make a bad day a good one by just being around him. He cared about everyone, I'm so sorry for the family's loss.

“ So many memories just keep coming to mind! There were many wonderful days of hearing George come into school cafeteria kitchens laughing. We were always happy to know he was there to save our day of most anything that could go wrong in a kitchen. George was sure to get you back in working order as quick as possible. One thing for sure he wanted to see you smile and know that you knew he had been there. George Davis once you knew him you would never forget. All your work is done George!
