“ *I have known Geraldine my whole life. I can't remember an important event that happened that she wasn't at. I have heard stories of how she and Jerry babysat me on a date. Throughout all my life she has been a constant steady pillar. Ready to smile, laugh or even wipe tears. I will miss her more than words can express!*
Love always,

“ A void has been left in any person's life that was blessed to have known Geraldine Conwill Waldrop. I had her as a teacher at Vincent High School in the late 1960's. But she was more than a teacher, she was a friend. If you were born and raised in Vincent, Geraldine made a lasting, beautiful impression on your life and in your heart. Her death has left a sting in all our hearts. She fought the good fight of faith and all of us should take inspiration from her life. She ran the race of life with beauty and dignity and I think when she passed the finish line of this life, she heard “well done, good and faithful servant.” I can't go without mentioning her beautiful red hair, her smile and sense of humor. She was one in a million and will be greatly missed. My love, thoughts and prayers to her sweet family.
