“ Most of you will not know who I am, but my mother, Margaret Martin Horton and Gladys were first cousins. I just read about your Mom's passing, and I have to let you know what a gracious and wonderful lady she will always be in my mind. She and your Dad both have such a special place as I recall memories of "meeting Mom's cousins, aunts and uncles". I know your loss is so great, and I pray tht God will supply you with comfort and peace. You and I are all so greatly blessed with the heritage of love, wisdom and kindness. My thoughts and prayers are with you.

“ My I send my deepest sympathies at the passing of Gladys. I grew up in Columbiana and remember her from my earliest memories. What a lovely young woman I remember and I know that she was a wonderful mother and grandmother to her family. My prayers are with you at this time.
