“ One of sweetest ladies I've ever known. I wish had known you were this sick and would have visited you. I also would have shown my support to your family at your passing. My heart hurts for not knowing. I've always loved all of you so much. Your niece, Kim Vick Smith

“ I have known Glenda since 1975 and worked with her at a major insurance company over 20 years. What a wonderful person and a great worker. She was so very well liked by all her co-workers for her kindness and patience. Bill, my condolences to you and the kids, it is a great loss when the mother is called home. She suffered too long and it was God's way of ending the suffering her on earth. When you think that I can do anything to help you and those children, you please let Bruce [knohttp://storage.lifetributes.com/Candles/new/candle-9.png](http://storage.lifetributes.com/Candles/new/candle-9.png).
