“ I posted a comment earlier, but I put it as a comment on someone else's post. I sent email to funeral home and asked them to move to a comment, but they deleted it. Just wanted you to know that I haven't forgotten you. I don't remember exactly what I wrote, so I'm posting a new message.

I have been thinking about Glenn and the time over the years I had spent with her. So, many stories I guess I could tell, but today I just want you to know my thoughts and prayers continue to be with you and your family.

My words of encouragement would simply be for you to find peace to comfort, courage to face the days ahead ahead and loving memories to forever hold in your hearts.

Sending with love to all. Love Aunt Perry.

“ Praying for the family. Glenn was a dear friend. I worked along in the group of bookkeepers with her a lot of years in Shelby County. She was a great person and a dear friend. We also went to church together. She will be missed. Catherine J Childs

“ I will miss her ever Sunday, we would race (her on walkers, me on a rollator), she was a pleasure and a joy in The Jewels class. I know you do not hurt anymore and are in the presents of your Savior Love Charles and Sue Swindal.
