“ *I have so many precious memories of my summer visits, holiday gatherings and family get togethers. I loved my Aunt June and send my love to Uncle Howard. Mother is especially heartbroken she had to miss the final good bye but as soon as she is able to travel I hope to bring her home for a visit. Life is changing... Suddely there's another empty space to fill with only memories. I feel sad tonight. I missed being there and I miss everyone. Love to all!*
