“ We were so sorry to hear about Miss Grace's passing. She and our Mama, Jane Abrams, were roommates at Shelby Ridge. Even though Mama only knew her for a short time, she considered her to be a true friend and told us they had many late night talks and laughs. Miss Grace was a great companion to Mama during that time and brought her much comfort and peace. They looked after each other. During Mama's last days, she and Miss Grace talked over the phone. They had a good conversation and wished each other the best. (Mama passed away November 15.) We feel blessed to have known Miss Grace and know she and Mama are now bonded forever as friends in their heavenly home. Our prayers and thoughts are with you. Love, The Family of Jane Hestina Gibson Abrams

“ My memories of Grace go back many years...the smile and pleasant personality never faded though the years. When we saw her in August, that same sweet smile and perky voice were unchanged. How I enjoyed going with her to get her sisters and visit with them when we were kids. My heart felt sympathy is with each of you. We never outgrow our need for our mother. I've never had a sister, so I don't know about that loss. But our love and prayers are with the whole family. Prayerfully, Gwen & Doug and families of Julie, Brian, Nancy and Emily
