“ Grady was the only person I ever knew in the family who could tell me personal stories about my grandfather. Mother loved Grady like a brother and we did too. He was a rock in the family. When you remove a rock it leaves a hole. There's a big hole in our hearts right now. We'll miss you dear cousin. Our sadness is only equaled by the joy I'm sure you have right now greeting your mom, dad, brothers, sister, and cousins. God bless your family. We will never forget you.
