“ PG: You made a huge difference in my life. It is going to take many spirit-filled Christians to fill your shoes. I loved how genuine you were and that you always made us laugh while very seriously sharing the message of God's love. I love you. You will missed beyond words.

“ PG, there have been so many times in the past 5 years that if it weren't for you our family would have done with out, with out food, with out a home, Most importantly with out the faith in Christ you instilled in our hearts, You and Wendy have been there for us more times then we could even count, you prayed over us when we lost our child and rejoiced with us when we welcomed another. Our lives have been forever changed and will never be the same. I am so grateful we were able to hug you and tell you we love two weeks ago. Thanks for " loving the hell out of us" literally.

“ Thanks to you Pastor Greg, you helped me to overcome so many things that had been stuck in my head for so many years. I have so much to say and such a short time to say it. We loved you so much and your precious family. Wendy, you will forever be in our prayers as we strive to carry on the work that Pastor Greg started. What a legacy. God bless you all. We look forward to seeing you again some day, Pastor Greg.

“ Greg Davis was the best teacher I have ever sat under. I will miss him dearly, I had so much more to learn from him. I know there are so many lives touched by him and I don't think he realized the impact he made in the lives of those who knew him. I pray that God will pour out His peace and comfort upon the Davis family and his church family. For my Connection family it is time that we pick up the torch and finish the race. I love you all!! God Bless
