“ I am so very sorry to hear of the passing of Officer Crim. I knew him many years ago due to him coming in my place of business to eat at times when he was on duty. God Bless him and his family. He was a great officer and highly respected he will certainly be missed.

“ Saddened to just now learn of Neil's death. I had the highest respect for him because he always treated the kids from juvenile court with respect. Neil was the kind of person you hoped would respond to the courts call to the sheriff's office.
My sympathy to his entire family. I celebrate his life well lived.
