“ Said an extra prayer for Harold this week. He was like a second father to me. We had some really great times together. His love, laugh, and humor will always be with me.

“ I always thought the world of (great) uncle Harold (he was my Maw Maw Kitty Sue's older brother). The only thing that makes me smile is that they are reunited in Heaven now. I know Aunt Jewel's heart is broken and my prayers and love go out to her and the family.

“ *Jewel, our hearts go out to you. Our family loved Harold so much and we have certainly missed him the last few years. I saw him when he was in nursing home in C'ville as I took mom there to get her hair fixed. She saw him one time, Stan was with us and of course he didn't recognize us. That was so sad, especially for Mom, will never forget the look on he face. Of course, later on before she died, she didn't recognize people either. We are praying for you and your family. Love, Judy and family.*
