“ I remember a night when I went out in the woods with the family four wheeling and Harvey Linda and Melinda Jennifer and some of the grandkids where there. We had the best time. When we got to the place deep in the woods. We all stood around dancing singing and just enjoying the whole family was so much fun to be with. I will never forget that night. We took some rough terrain and a chain saw to get thru but with Dustin and Harveys know how, We got there. I know Harvey was a family man and he was a great Husband and father. He always had a smile on his face everytime I seen him. I know his family will miss him dearly. He will be watching over all of you. So continue on this life just like he would want you to. In loving memeory of Harvey Jones and his family. I love you all. Carmen Cannady

“ As a young member of the B&G family back in the late 80's I was introduced to to Harvey. He welcomed me and would always remember me with that wonderful smile when I had the occasional chance to see him. I thank him for making me feel special and part of the B&G family. I will miss him!
