“ Oh Uncle Super, you truly are one of a kind! You had a heart of gold that would do anything for anyone if you could! I used to save the hole of my donuts for you when I was a kid cause you always said save me the donut hole. So I would eat all around the center saving a bag of “donut holes for you”. I remember our families going camping and fishing. I even made you a #1 plaque to show that you were #1 Uncle! That thing hung on your wall for the longest time! You will be missed dearly, Uncle Super! ❤️❤️❤️
