“*Sadly, I just got notified of Howard's passing. We spoke last December 2022 and shared Christmas card every year for the past 40 years. Rachel, so very sorry for your loss. Such a special man. I posted this on my website after talking to your dad last year. God bless you all.*

“*I'm late posting this tribute to my friend Howard. We met at Applebee's in 2014 in Pelham when he walked around the bar to introduce himself as a loyal Auburn fan. We walked Oak Mountain park a few times had many lunches at Applebee's. Howard was a very quiet and humble man.. I do miss him!*

“ Our sympathy to the Howard Finley Jr. family. Bobby grew up with Junior and he said their parent’s families were close friends. Sorry we will not make it to the funeral service but as you may know that Bobby is suffering for several years with Alzheimer’s Dementia and other medical problems. Prayers! Diane & Bobby Joe Seales
