“ I thankfully had the pleasure of meeting bert and we became close friends in such a short time. He opened my eyes to alot of things in life I looked over or wasnt facing and helped me through so much and I tried to help him when he needed it to. He was sweet and had one of the biggest hearts of anyone ive ever met. His life was his baby girl and she was all he talked about. After meeting her I can see why. He definatly loved his family and was so grateful to all of you for standing by him thru the goodtimes and bad. It was nice to see such love and support y'all shared as its very rare. I cant say enough, how saddened I am for yalls loss and I know i didnt get enough time to get to know the rest of him but I am proud to call him my friend and I his. He will always be in my heart and will be missed dearly.
