“ *We just wanted to express our sincere sympathies to the family with the loss of this dear loved one, Bro Hurshel Sizemore. With him being my pastor at both Calera Baptist and Inglenook Baptist,I really came to love and respect him not only as a Pastor but as a man. He will truly be missed but we all know that we shall see him on that day when either Jesus comes again or we take our final breath. “ I love my Poppie. He told me a few days ago that he would hold my little son when he got to heaven. I will meet them both there, along with my little sister, Anna Marie, and my Jesus one day! My Poppie left a mark here on this earth that will continue for generations to come. He was the kindest man I have ever known. I never (not once) heard him say a bad word about anyone. And he wouldn't let us say any either. I will miss him, but I know it isn't good-bye to him. . it's "I'll see you later Poppie".

“ What a wonderful grandfather,father, husband, brother, friend, pastor you have been in your 86 years on this earth. I know that you are dancing with Jesus now and waiting on your wife. I know that when you entered heaven HE said, "well done my good and faithful servant". Until we meet again I will miss you, Poppy!
