“ I am so thankful that my Momma is with my Daddy. She would cry after his passing and say she had lost her best friend. She loved us 3 kids, but Daddy was her life and love since she was 21 years old. They did everything together. True soulmates! Now they both are one again, I love and miss you Momma.

“ I remember when we use to live with you. You were a great lady. It took us all in. And every vacation we took we would stay with you. I always looked forward to it, I would have so much fun. I love you Aunt Imogene, I will miss you but I know you're in heaven and not suffering anymore. You get to be with the ones you've missed all these years. Not goodbye but see you later, U LOVE YOU
