“ *When I was a teenager I worked at Davis Drug in Columbiana with Mrs. Seale. When I turned 16 my Dad took me to the courthouse to take my drivers test but he did not realize that he would have to stay with me until I had finished the test. Mrs. Seale was also there, I guess with one of her children taking the drivers test. She offered to be responsible for me so my Dad could go on to work. I took the test and passed, got my drivers license and I will always be grateful to Mrs. Seale for doing that for me.*

“ *There are so many fun memories with this family! Imogene was the BEST southern cook ....and her cakes ...well, amazing! I still remember her fried corn and her layered yellow cake with fudge icing. Yummy. Her house was ALWAYS spotlessly clean. I rememeber she would have a bread box full of treats for the kiddos. My family spent many days with her family just hanging out at fish "frys", making homemade ice cream (hand cranked, BTW!) and catching firefly's.*

*I bless you all with Peace and comfort from the hands and heart of a good good Father.*

*Sincerely and with much love and big hugs,*
