“ Jack was my very best friend and I miss him so much! He had the biggest heart and always thought of others. He put a smile on my face every day! When one of his friends called on him in need, he would drop everything and go help. No matter what was presently going on in his life, he would be there for each and every one of his friends and family! I have never known such a wonderful man with a wonderful heart as Jack. I will forever love and miss him!!!
