“ *Sister Jackie was such an important part of my growing up years, especially in church. I remember her from my very young years leading Vacation Bible School. She was my Sunday School teacher at various ages, managed groups of wild children to put on wonderful Christmas programs, always cooking for someone and visiting the sick and shut ins and she worked a full-time job during most of that time.. She was truly a blessing to me and my family and I have so many fond memories to remember her as such a special person to me, our church, our community and beyond. I love you Sister Jackie.
