“ *When I was coaching her daughter and had a few parents mad at me she came to my work and brought me bubble bath with lavender and said she supported me and that I was doing a good job!! She was a lovely lady and she will be missed!*

“ I want to send my deepest sympathy to Barbara and her family at this sad time. I have been an Acteen leader in Florida for 35 years. Barbara has always been a role model and example to me and we both share a love of Acteen girls. Barbara and I talked at NAC in 1989 and she encouraged me to do Acteen Activators for the first time. Because of her words and encouragement, I have led Acteen Activator trips for 25 years. My prayers are with you Barbara and all of your family in the passing of your daughter.

“ I met Jackie years ago, as a teenager, when she came to Illinois with her mother to Illinois Acteens camp. We quickly bonded and became friends. Jackie was so full of love, fun, and a heart for service. The memories of our friendship are those I think of often, and will cherish. It saddens me deeply to hear of her passing, but I am confident she heard the words "Well done, my faithful servant".....

I am praying for all of you--by name, as you grieve the loss of such a special person. I am thankful our lives touched and rejoice for having known her.

“ It was such a privilege to know Jackie and work with her in the music end of the church. We loved doing two pianos, much to Tom Stoker's dismay. She will always be in my memories. She is a beautiful lady, and will be missed. My prayers for comfort are with the family. Lee Ann Rush Atchison

“ Jackie's last act of kindness and love was shown on the same day that she was to be taken to the emergency room at Grandview. Her mother, Barbara Joiner was taken by ambulance to Shelby Baptist that day and nothing would do Jackie but that she go to the hospital to help her Daddy and Mother. She was so weak and could hardly hold her head up but yet she wanted to help someone else. I don't believe that I have ever met anyone like Jackie. She was certainly one of God's special servants and will be so missed. The first time that I heard Jackie's name is while my husband and I were building our home next door to Homer and Barbara Joiner. That was in 2007 and as we went through downtown that particular evening all of the store fronts had signs saying Welcome Home Jackie. I remember telling my husband Tom, " I don't know who this Jackie is but she must be a very special person." I quickly learned all about Jackie and can truly say I have never before met such a giving, loving human being. The night that Jackie went to be with the Lord I know that He must have said WELCOME HOME MY CHILD.
