“ *On May 16, 1987 I was at Liberty Church getting married this was during the time new church was being built. Stephanie and I after everything got in my vehicle and we were leaving we thought. Jimmy and can't remember if anyone else or not had jacked my vehicle up and we weren't moving. I thought I was smart and put it in 4 wheel drive and he had all 4 wheels off the ground. It was hilarious and I will never ever forget it. RIP Jimmy !*

“ *I am so sorry to hear of Jimmy's passing, it is a sad situation to hear of a friend from long time ago that was a whole lots younger that I am. I remember Jimmy and his deep voice that he had as a small child and how nice looking he was When we all went Mt. Signal Baptist Church, it is so hard to believe that God called him home so soon to be with his Dad, God and all of his other loved ones. I can remember Jimmy & Al Limbaugh used to sit on the piano when we had Junior Choir practice on Sunday evenings and those 2 always sit on the piano stool with Mrs. Limbaugh, Mrs Williamson, Mrs. Wilder, Brother Key's wife and there were 2 or 3 others but that was so long ago my mind don't work quite as good as it used to! I will keep all of Jimmy's family and friends in my prayers and May God Bless All of You !!! Love to all His Family & Friends*
