“ Granddaddy, James Henry and I love you very much. He asked about you everyday while you were in Houston and still does. He loves you more than anything. You are the sole reason why he wants to be a cowboy. You will forever be loved, remembered, and instrumental in our lives. I can easily say, that no one will ever come close to filling your void. We will miss you more than anything. I am so glad Jh came to see when he did and I am so glad I got to speak with you on that Thursday. We prayed for you everyday, but you are in a far better place now. Everything just seems so surreal. It's hard to grasp you're gone. We were honored to know you. We love you more than you'll ever know, Tiffiany and Hennie.

“ I was saddened to hear of your loss and wanted you to know that you are in my prayers and thoughts. Growing up, Jamie always had a smile on his face and an encouraging word for everyone. We had many happy memories at church, youth choir and the SCHS band. Jamie will certainly be missed!! May God comfort you during this difficult time.

“ Jackie, I cannot imagine your grief to have lost two sons. I'm so sorry for Jamie's passing and how it affects so many who loved him. All I can do is send my love and hold you all in my thoughts that you can find some comfort at this horrible time. Jackie, do you remember when Lynn Farr and I came home with Johnny on the bus? That is one of my all time favorite memories - that we got to home with Johnny. What a generous heart. What a fine family. I remember Jamie so well. Gosh, this is so sad.

“ To the whole Cates family ~ We were so sad to hear of your loss. But I know from talking to Jamie just a month ago that he was ready to meet Jesus. That's what he wanted to talk about the most. I know he is waiting on you at heaven's gate. What a reunion!

“ My prayers are with the Cates family as I grew up with Jamie and his brother, Johnny. We had a great time in band together and these brothers had very fun-loving parents. It will take time for the hurt to go away but rely on the memories you have to get you through each day. May God grant you peace and know that He hears your cries and prayers.
