“ *I have so many. So much of my life was spent with you. I remember how excited you were with each of our babies and what a great dad you were. We raised wonderful people and can be proud of that. Too many memories to list. Just suffice to say that my life has changed since you left. But I know you are so much better off than we are that are left behind. God bless and I'll carry on with all of the babies and will keep your memory alive.*
