“ I want to send my love to all this family. I want you all to know that your dad was one special man. He loved everyone and everyone loved him. He was a lot like my Dad in that manner. The things that I remember about him were his smile, his laugh, the hugs he gave, the sweet words he would always say at just the right time. I know he really did not feel like saying them sometimes because he was in so much pain but he would always take the time to make you feel special. I have no doubt that he is in heaven in his new body and now in no pain sitting and rejoicing with my dad and my mom and lot more of his friends that have gone on before him. One day we will see them again so we all just have to have our lives right and be ready when Jesus calls us home. So to all that read this make sure that you have given you life to Jesus so that when it is your time you will be able to see and walk with Mr. Solon on those Golden streets and rejoice that we can spend forever and ever together.

“ My deepest condolences to the family and friends for the loss of your loved one. The Hearer of Prayer has promised to provide his holy spirit to those who sincerely ask for it. (Psalm 65:2). That same spirit can give you the power beyond what is normal to endure your grief.
