“ *i miss you and love you James very much i rememer what you did to your porch when Chris died, and i hope you will tell him hello for me and tell me i miss him very much. i am going to miss all the trips we made to the doctor and you always wanted a Hamburger steak at Frans and the last time i took you wanted a sack full of Krsytals. i am sorry my name is not mentioned but i know i am your sister and always will be. i remember the times you would call me at the hosptial when i broke my hip in 2015. i also know you would call me a lot lately if was sick. and one important thing we always said to each other after a trip or phone call love you. your sister Sylvia Hamilton*
