“ We've known Red for about 25 years, a VERRRY good man with a big heart! In the past he helped my mother-in-law with the Shelby County Humane Society when they called. He'd basically give someone the shirt off his back...He will be greatly missed so very much, now there's a bright new star shining in the heavens. When you see a wrecker on the road you can think back about Mr. Vanderslice and how much Vanderslice Wrecker Service meant to him and the people he was helping. Please everyone keep his family in your prayers.

One of the kindest men we've ever met...he will be missed.

“ Red was a great guy. The first time I remember meeting him was a few day's after becoming a Police Officer in Columbiana. I think maybe I had met him briefly a day or so before. The night I met him again he pulled a great prank on me. I happen to be behind him on CR-30, didn't know it was him, he started driving all over the road, both lanes(no traffic coming) So I lite him up after we stopped he bailed out laughing his rump off at me. After that he was a good friend. I hadn't seen him in a long time. Rip, Red you deserve it.
