“ *Uncle Pete was an incredible man He would do almost anything for you. When Michelle and I reunited with the family in the summer of 1991, it was Uncle Pete who picked us up. He did so many awesome things for his family. During one of my visits, I went with Uncle Pete to the grocery for breakfast items. The next morning, we had the most outstanding breakfast ever. We are losing an amazing man here on earth, but heaven is gaining an incredible soul. We love and will miss you so much Uncle Pete.
