“ *My Precious Ninny,
I really feel quite special
that God had chosen you,
to be a person in my life
Who knows me through and through.
The time that we spent talking,
I've always felt you heard...
You've been so good at listening
To each and every word.
And even things I didn't share,
You somehow heard them too.
I think this is a special gift
That God had given you.
So, I just want to thank you
For being there for me,
And showing me acceptance
And love so totally.
Love Forever and Always,
Cassie Marie ❤️*

“ Jane waswell simply put, a woman after God. I knew her most of my life and never knew anyone so loving, giving and kind. She sowed seeds of kindness in everyone she met. Never rude, hateful or mean. Love literally bled from her being. She was remarkable in her giving and sacrificing. She always prayed for me and loved on me when we were together. She sought the Lord, He heard and He answered. Such a beauty to behold. Not just on the outside but every pore of her being. Love you sister Jane and see you soon!!
