“ *I have many wonderful memories of great times together with the Harper family. We spent much time in each other's homes and on weekend or well-long camping trips. Great memories which I will always cherish.*

Ted, Terri, Bill, Ty and Jacob

You have my deepest sympathy and are in my prayers in the death of Jane! May each of you experience comfort, strength and the peace that surpasses human understanding that that come only from our Heavenly Father!

I'm so thankful for the assurance that we, as born-again Believers, have that we will see Jane again when we all meet in heaven. I miss her and think of her often and will always have great memories of her and your entire family.

I love you all, and you are in my prayers!!!
