“ *My mother and Jean worked together and shared a friendship for many years. However, the best memory I have of her is when we went to 4-H camp. I was scared to sleep by myself..... so, Ms. Jean crawled in that little ole bunk and comforted me all night! That is just the kind of person she was! She will be missed! We loved her and all her family dearly! So many memories to share with her, Mary, and Brad growing up! Much love to you all*❤️

“ So many memories of her leadership during 4-H meetings, summer camp etc. Her devotion to all of us 4-H students gave us so many opportunities that we typically would not have had in our rural area. She led by example and always had a listening ear and words of wisdom.

“ I got the pleasure of being in 4 H with Mrs. West. From baking cookies for a competition to 4 H Camp. It was so much fun. Then in the late 1990's I got to work with her at the bank where I work, she was working part time. I know she will be missed by all. I have thought of her often through the years. You all are in my thoughts and prayers.
