“ Dear Family, While I do not know any of you, I did know Miss Johnson. I met her when our a group of ladies from my church (The Mission on Hwy 25) began going to the nursing home to spend time with the ladies there. Most visits we just spent time making a craft and talking to the ladies. I wanted you to know how much I loved getting to know your Mom. She taught me things about getting old gracefully. We miss her presence with us when we visit now. I just wanted you to know that she had an impact on my life - even if for a short time. I am praying for you in your loss.
