“ Jerry was 2 years ahead of me in school. He lived in our neighborhood when I was I kid. He was always kind and caring. He was lucky to have a loving wife and close family to help him during his fight with his health problems. Love and condolences to Claudean and all of the family.

“ Claudean and family.. I'm so very sorry to hear this news about Jerry. We were in first grade and all through school together. He was always the sweetest guy and he will be missed terribly by all who know and love him. The happy thought is that one day we will all be together again and then it will be forever. Love and hugs to all of you.
