“ I have been out of reach and out of touch so I start my tribute to Jerry with an apology, I am sorry I did not know the pain you were in. You my friend changed our families lives, with your help so many years ago. You always listened to my stories with patience and understanding. I wish I could say thank you in person, but I will someday soon I am sure. You have stirred up many hearts among those of us who knew you. You have always been a positive influence and though it appeared to go unrecognized, you helped so many people. I KNOW you and Geri are in a good place. God Speed my friend, till we meet again.

“ I worked with Jerry for several years and always knew him as a very trustworthy to always do the right thing. He was rock solid and steady no matter how difficult the situation. I know everyone who knew him respected him and he will be sorely missed.

“ His smile always brought sunshine into the place he walked into. He was loved by too many people to begin to count. The town of Vincent has lost another beloved person. Our hearts are broken. Only love can mend the brokenness of our community, his beloved family and many friends. May God grant all of us peace as we mourn a man that can never be replaced or forgotten. Prayers to all the family and friends. Our hearts are heavy but we know who holds tomorrow. Our God is Love and it is from beginning to end. Jerry, you will be missed and you were loved.
