“ Ruby, Corey and family, I am so sorry to learn that Jimmy lost his battle to cancer. There is no doubt heaven has received another good soul. I worked with Jimmy on his business insurance for over 18 years and considered him a friend as well as a client. He was an honest hard working man and I respected him a great deal. I hope that it will bring comfort to you and your family to know that Jimmy's memory will live on in those of us that had the honor of serving him. We will continue to keep you and your family in our prayers.
Sincerely, Linda Taylor
